The company's products are designed not only for household use but also for restaurants, hotels, cafes, and other service environments. Tisa's focus is on offering products that, in addition to being beautiful and innovative in design, are of high quality and durability. Below is more information about each product category:

Glasses and Mugs

Tisa's glass and mug collection is available in various designs and sizes, suitable for daily use and serving in homes or workplaces. These products are made from high-quality materials that are resistant to heat, ensuring their durability and quality.

- Simple and Classic Glasses: Ideal for daily use, transparent and durable.
- Thermal Mugs: Specially designed for hot beverages like coffee and hot chocolate.
- Decorative and Fancy Glasses: Featuring unique designs and sometimes colorful, ideal for special occasions or as decorative items.

Appetizer Plates and Nut Bowls

The appetizer and nut bowls from Tisa are beautifully and practically designed, ideal for serving various light foods and snacks. These dishes are designed not only with modern and chic aesthetics but also for ease of maintenance and cleaning.

- Multi-compartment Appetizer Plates: With separate sections for serving different small foods and desserts.
- Nut Bowls: Available in various shapes such as square, rectangular, or circular, easily adaptable to any serving table.
- Transparent and Frosted Appetizer Plates: Made from clear and frosted glass, catering to both modern and classic designs.

Cups and Sugar Bowls

Tisa's glass and crystal cups and sugar bowls are designed with elegance and beauty in mind. These products are offered in coordinated sets, adding a special touch to your serving tables. Tisa's cups are also suitable for hot beverages like tea and coffee.

- Tea and Coffee Cups: Simple and beautifully designed glass and crystal cups, perfect for hot drinks.
- Glass Sugar Bowls: Sets including cups and sugar bowls, designed to match and enhance the look of your serving table.
- Decorative Cups: Featuring delicate patterns and sometimes engravings, suitable for formal gatherings.

Platters, Side Plates, and Rice Plates

These dishes are among Tisa's most popular products, produced in various sizes and designs. The platters and side plates are perfect for serving various foods, desserts, and salads. The rice plates, with their classic and modern designs, are ideal for serving main courses at parties and events.

- Large Platters: Suitable for serving main dishes like chicken, rice, and kebabs.
- Side Plates: Designed for serving desserts, cakes, and sweets, available in round, oval, and rectangular shapes.
- Rice Plates: Usually made from heat-resistant glass, perfect for serving warm dishes.

Stew Bowls and Storage Jars

Tisa's stew bowls come in various sizes and shapes, designed for serving stews and hot dishes. Tisa's glass storage jars, with tight lids and a clear design, are ideal for storing dry foods like legumes, sugar, and even pickles.

- **Stew Bowls:** Available in round or oval shapes, suitable for serving stews, soups, and other hot dishes. These bowls are often heat-resistant and microwave-safe.
- **Glass Storage Jars:** Storage containers made of glass, perfect for keeping dry foods like rice, legumes, sugar, and more. These jars come with airtight lids to prevent moisture and air from getting in.

Pans and Bowls

Tisa's glass pans and bowls are suitable for both cooking and serving food. These high-quality, heat-resistant products are an excellent choice for modern kitchens. The bowls, available in various sizes, are perfect for preparing and serving salads, soups, and other dishes.

- Glass Pans: Designed for baking foods like lasagna, cakes, and other baked goods. These pans are dishwasher-safe.
- Salad and Soup Bowls: Large and small bowls for serving salads, soups, and other cold and hot dishes. Their transparent, durable glass gives them a beautiful appearance, making them suitable for any decor.

Glass pitcher

Tisa's glass pitchers, with stylish and practical designs, are ideal for serving cold beverages like water, juice, and syrup. These pitchers are not only visually appealing but also durable due to the high-quality materials used in their production.

- Simple and Classic Pitchers: Suitable for daily use and parties, available in various capacities.
- Decorative Pitchers: With delicate patterns, sometimes handcrafted, perfect for use in formal gatherings.
- Pitchers with Lids: Some models come with lids that prevent dust from entering the beverages.

Serving Bowls and Baking Dishes

Tisa's serving bowls are perfect for serving a variety of foods and salads due to their beautiful design and durability. These bowls especially enhance the look of your table during formal dinners and gatherings:

- Small and Large Glass Bowls: Suitable for serving salads, yogurt, desserts, and other dishes.
- Heat-resistant Baking Dishes: These dishes can be used both for baking and for serving directly from the oven to the table.

Focus on Quality and Health

All Tisa products are made with high-quality materials and are free from harmful substances, ensuring that they are completely safe for use with food and beverages. The glass used in Tisa products is free from hazardous chemicals such as lead and is entirely safe for health.

Warranty and After-sales Service

Tisa offers its products with a quality guarantee to ensure customer satisfaction. In case of any issues or dissatisfaction, after-sales service is available. This commitment to quality and service has made Tisa one of the most trusted brands in the glassware and crystal industry.

Tisa Company, with its continuous improvement and product development goals, is recognized as one of the reputable brands in this industry, offering a wide range of products with high quality and reasonable prices, making it one of the top choices for consumers in the market.
